One or more photo(s) has been virtually staged. A Lake of the Woods Beauty! Walk through the double leaded glass front doors of this beautifully maintained J & J-built home which features a remodeled kitchen and updated bathrooms, combining timeless craftsmanship with modern style. Enjoy peace of mind with a BRAND NEW TILE ROOF and a sparkling resurfaced pool—perfect for relaxing and entertaining. With a quadruple pocket sliding glass door from the great room to the pool, your indoor/outdoor space is seamless and oh so inviting! The pool area has an expansive covered deck area as well as plenty of room to lounge in the sun. The pool cage was replaced in 2025 and there is an outdoor shower as well. Don't miss seeing the outside entrance to a bonus air-conditioned workshop, craft room, art studio, or storage area that is accessible from the pool area. Details like crown molding and luxury vinyl plank flooring complete the interior and make this home "move-in-able". Located in a desirable community known for its mature landscaping and convenient access to shopping, dining, and top-rated schools. Lake of the Woods also has a clubhouse, pickleball and tennis courts and a community pool as well as lakes for residents to cast a line! No CDD fee and reasonable HOA fees
